Last STA newsletter can be accessed HERE.

Invitation for an Expression of interest for the Threatened Species Scientific Committee.

A call for expressions of interest for membership of the Australian Government's Threatened Species Scientific Committee has now been published.

This is an opportunity to play a pivotal role in protection of Australia's biodiversity. We would be grateful if you would share this invitation with members of your organisation.

Full details can be found on the Department of Climate Change, Energy, the Environment and Water's website: Expressions of interest open for the Threatened Species Scientific Committee – DCCEEW

The expression of interest is open until 17 September 2023.

For more information on the position, please contact Anthea Brecknell at TSSCSecretariat@dcceew.gov.au
