AUSTRALIAN SOCIETY OF PLANT SCIENTISTS

Postgraduate Student Travel Grants – ASPS2026

Funds are set aside to sponsor student travel to our annual conference to contribute to their professional development in plant science. Support will vary from year to year depending on the Society finances, meeting location and the number of applications. The Treasurer will apply a formula in calculating individual entitlements and take these factors into account.

Applicants and their supervisor must be current financial members of ASPS. Funding is contingent on giving a presentation (poster or oral) at ASPS2026. Successful applicants will be notified within one month of the application deadline. Awards will be disbursed at least one month prior to travel, preferably direct to a personal bank account, and will require evidence of conference registration and abstract submission. **The deadline for applications received for ASPS2026 is Friday 31 July 2026.**
